DISCOUNTS REBATES AND ANY OTHER SPECIAL PRICE CONDITIONS GRANTED TO THE BUYER AND ANY SUCH INVOICES SHALL BECOME PAYABLE IMMEDIATELY

5. TERMS OF PAYMENT

5.1 Subject to any special terms agreed in advance in writing between the Buyer and the Seller, the Seller shall be entitled to invoice the Buyer for the price of the Goods on or at any time after accepted orders are ready for despatch or, if the Goods are to be collected by the Buyer from the Sellers premises, at the time when the Seller has notified the Buyer that the Goods are ready for collection or (as the case may be) the Seller has tendered delivery of the Goods.

5.2 Unless credit facilities have been provided all orders are on a "Cash with Order" (CWO) basis. Full payment is required prior to order despatch and subject to confirmation of clearance of funds by the Buyer's Bank or Credit Card Provider.

5.3 Should credit facilities be provided, the Buyer undertakes to notify the Seller without delay of any material change in its finances, structure, share ownership and/or value of assets which may affect the Buyer's credit status. In addition to any remedy available at law, failure to report any such changes may result in credit being withdrawn as set-out in clause 5.7.

5.4 In the case of Special Order Products and Custom Build Products as set out in clause 3.7, 3.7.1 and 3.7.2, the Buyer will be required to pay (at the Seller's sole discretion) either the full price of the goods or a deposit of not less than twenty-five percent (25%) when the order has been accepted by the Seller.

5.5 The Buyer (where credit facilities have been provided by the Seller) shall pay the price of the Goods within 30 days of the date of the Seller's invoice, notwithstanding that delivery may not have taken place and the property in the Goods has not passed to the Buyer. The time of payment of the price shall be of the essence of these Conditions.

5.6 If the Buyer fails to make any payment on the due date then, without prejudice to any other right or remedy available to the Seller, the Seller shall be entitled to:

5.6.1 cancel the order, terminate these Conditions or suspend any further deliveries to the Buyer;

5.6.2 demand payment of all outstanding balances whether or not due and/or cancel any outstanding orders (in addition to the order set out in clause 5.6.1) from the Buyer;

5.6.3 appropriate any payment made by the Buyer to such of the Goods (or the goods supplied under any other contract between the Buyer and the Seller) as the Seller may think fit (notwithstanding any purported appropriation by the Buyer); and

5.6.4 charge the Buyer interest (both before and after any judgment) on the amount unpaid, at the rate of four percent (4%) per annum above HSBC base rate from time to time, until payment in full is made

5.7 The Buyer must notify the Seller in writing within fourteen (14) days of the date of invoice of any errors within the invoice. Failure will result in the Seller assuming the Buyer's acceptance of the invoice in full.

5.8 The Buyer's credit-limit may be amended or withdrawn at any time without the Seller giving notice to the Buyer. If credit facilities are withdrawn all invoices shall become immediately payable by the Buyer.

5.10 The Buyer shall pay all amounts due under these Conditions in full without any set-off, counterclaim, deduction or withholding (except for any deduction or withholding required by law).

5.11 The Seller may at any time, without notice to the Buyer, set-off any liability of the Buyer to the Seller against any liability of the Seller to the Buyer, whether this liability is present or future, liquidated or unliquidated, and whether or not the liability arises under these Conditions. If the liabilities, to be set off, are expressed in different currencies, the Seller may convert either liability at a market rate of exchange for the purpose of set-off. Any exercise by the Seller of its rights under this clause shall not limit or affect any other rights or remedies available to it under these Conditions or otherwise. If Goods are delivered in instalments the Seller shall be entitled to invoice each instalment upon despatch thereof.

5.12 If Goods are delivered in instalments the Seller shall be entitled to invoice each instalment upon despatch thereof.

5.13 Payment shall be in Euro (€) unless otherwise agreed in writing signed by the Seller's authorised representative.

5.14 The Buyer warrants that it will notify the Seller if its VAT registration is amended in any way.

5.15 The Seller reserves the right to issue and send to the Buyer all invoices, credit notes or any other company documentation in electronic format and the Buyer accepts to receive such documentation electronically.

6. INSOLVENCY OF THE BUYER

6.1 This clause applies if:

6.1.1 the Buyer makes any voluntary arrangement with its creditors or becomes subject to an administration order or (being an individual or firm) becomes bankrupt or (being a company) goes into liquidation (otherwise than for the purpose of amalgamation or reconstruction); or

6.1.2 an encumbrancer takes possession, or a receiver is appointed, of any of the property or assets of the Buyer; or

6.1.3 the Buyer ceases, or threatens to cease, to carry on business; or

6.1.4 the Seller reasonably apprehends that any of the events mentioned above is about to occur in relation to the Buyer and notifies the Buyer accordingly.

6.2 If this clause applies then, without prejudice to any other right or remedy available to the Seller, the Seller shall be entitled to cancel these Conditions and/or suspend any further deliveries without any liability to the Buyer, and if the Goods have been delivered, but not paid for, the price shall become immediately due and payable notwithstanding any previous agreement or arrangement to the contrary and if any of the Goods have not been delivered the Seller may sell the Goods at the best price readily obtainable and (after deducting all storage and selling expenses) account to the Buyer for the excess over the price or charge the Buyer for any shortfall below the price under the contract.

7. TITLE RETENTION

7.1 Title of the Goods shall not pass to the Buyer until the Buyer has discharged all outstanding indebtedness to the Seller whatsoever.

7.1.2 The Buyer shall store the Goods in such a way that they can be readily identified as being the Seller's property.

7.1.3 The Buyer may sell the Goods in the normal course of its business and may pass good title to its End Users, being a bona fide purchase without notice of the Seller's rights on the following conditions:

7.1.3.1 The Seller shall be entitled, immediately as a result of its ownership of the Goods, to the beneficial ownership of the proceeds of such sale which the Buyer shall accordingly hold as fiduciary for the Seller;

7.1.3.2 At any time, the Seller may revoke the Buyer's said power of sale in the circumstances set out in Clause 7.1 of these Conditions;

7.1.3.3 The Buyer shall notify the Seller without delay of any attachment of the Goods or actions by third parties which might infringe our title to the Goods.

7.1.4 Upon determination of the Buyer's power of sale, the Seller shall be entitled by itself, its servants or agents to enter upon any of the Buyer's premises for the purpose of removing and repossessing such Goods or their proceeds of sale in the event of the Buyer's insolvency.

7.2 Nothing in these Conditions shall:

7.2.1 entitle the Buyer to return the Goods or to delay payment thereof; or

7.2.2 constitute or be deemed to have constituted the Buyer as the seller's agent; or

7.2.3 render the Seller liable to any third party for any unauthorised representation or warranty made or given by the Buyer to such third party in relation to the Goods.

8. LIEN

8.1 The Seller retains a general lien on any of the Goods in the Buyer's possession for any unpaid balance the Buyer may owe to the Seller. The Seller shall be entitled to sell such goods in the event that payment is not made in full within 28 days of notice given to the Buyer by the Seller of its exercise of the lien. The proceeds of sale may be taken by the Seller and used to off-set monies owed to it by the Buyer.

9. WARRANTIES

9.1 The Seller warrants that it has good title to or licence to supply all Goods to the Buyer.

9.2 If any Goods should prove defective in materials or workmanship under normal operation or service, such Goods will be repaired or replaced only in accordance with the warranty cover or terms stipulated by the manufacturer of the Goods PROVIDED THAT no unauthorised modifications to the Product or to the system of which the Goods forms part have taken place. The Seller is not responsible for the cost of labour or other expenses incurred in the repairing or replacing of defective or nonconforming parts and in no circumstances shall the Seller be liable, in contract, tort (including negligence or breach of statutory duty) or otherwise howsoever, and whatever the cause thereof, (i) for any loss of profit, business, contracts, revenue, or anticipated savings, or (ii) for any special indirect or consequential damage of any nature whatsoever.

9.3 The Seller's sole obligation in the event of "Dead on Arrival" or "Defective on Arrival" ("DOA") Goods (which for the avoidance of doubt shall not include DAMAGED IN TRANSIT Goods as set out in clause 11.2) and which can be attributed to the original manufacturers of the Goods and which have been purchased from the Seller shall be to pass on to the Buyer (in so far as possible) the benefit of any rights or remedies afforded it by the manufacturer (or those of their representatives or service agents) to exchange the faulty Goods for new within the DOA periods (if any) by the relevant manufacturers.

9.3.1 Where the Seller has been authorised by the manufacturer to replace faulty Goods within the DOA period the Buyer must obtain a Returns Authorisation Number (RAN) from the Seller.

9.3.2 Where the Buyer or End User is required to contact the manufacturer (or their representatives or service agents) directly, the Buyer agrees to follow such instructions in order to progress or resolve the issue. Where the Buyer or End User is issued an authorisation or reference number for the purposes of passing such onto the Seller in order to progress the return, the Buyer understands and agrees that this is no guarantee to a credit note as set out clause 9.6, 9.6.1 and 9.6.2.

9.3.3 Where necessary, the Buyer or End User agree to deal directly with the manufacturer (or their representatives or service agents), to conclude the matter as stipulated in the manufacturers terms and conditions.

9.4 Prior authorisation having been obtained as set out in clause 9.3, 9.3.1 and 9.3.2 the Seller shall:

9.4.1 raise an invoice on the Buyer's account for the same Goods (if requested by the Buyer to do so) at the same price the Buyer was originally invoiced at; and

9.4.2 despatch the replacement Goods at the Seller's expense to the original delivery address; and

9.4.3 collect the faulty Goods at the Seller's expense from the original delivery address.

9.5 It is the responsibility of the Buyer or End User to ensure that the Goods are:

9.5.1 properly packed in the original, undefaced manufacturers packaging, protected and suitable for transportation; and

9.5.2 returned with all standard manufacturer accessories (including literature, whether paper or electronic.)

9.5.3 The Seller accepts no liability whatsoever for any goods not authorised for return and which may be returned in error by the Buyer or End User.

9.6 The Seller reserves the right to test all Goods returned to it under warranty as set out in clause 9.3, 9.3.1 and 9.3.2 and it is agreed between both parties that:

9.6.1 On receipt of the expected Goods and where a genuine fault exists, the Seller shall, in the event that such price shall already have been paid by the Buyer to the Seller, or, if such price has not been paid, relieve the Buyer of all obligation to pay the sum by issuance of a credit note in favour of the Buyer in the amount of such price within twenty-eight (28) days of receipt of the expected Goods, or earlier at its absolute discretion. The Buyer shall not offset or withhold payment (full or in part) of any monies owed to the Seller as set out in clause 5.10.

9.6.2 Goods tested and deemed to be "No Fault Found" (NFF) will be rejected. No credit note shall be issued and the Buyer shall (at their sole expense and risk) have fourteen (14) days to arrange collection from the Seller's premises.

9.6.3 Goods not collected after fourteen days shall be disposed of in accordance with the Waste Electrical and Electronic Equipment (WEEE) Regulations 2005 and any costs involved in doing so shall be passed to the Buyer.

9.7 Where available, the details of the manufacturers DOA and Warranty guidelines shall be made available to the Buyer (on request) along with copies of any relevant product information sheets, technical data sheets or product leaflets issued by the manufacturer, which may be in paper or electronic mediums.

9.8 All software Goods are supplied "AS IS". The Sellers sole obligation in connection with the supply of software Goods is to use all reasonable endeavours to obtain and supply a corrected version from the manufacturer concerned in the event that such original software should fail to conform to product description PROVIDED ALWAYS THAT the Buyer notifies the Seller of any such non-conformity within 30 days of the date of delivery of the applicable software Product.

9.9 The Seller's liability under this entire clause 9 shall be to the exclusion of all other liability to the Buyer whether contractual, tortious or otherwise for defects in the Goods or for any loss or damage to or caused by the Goods, and subject to Conditions 9.2, 9.3, 9.4, 11.2 and 11.3 all other conditions, warranties, stipulations or other statements whatsoever concerning the Goods, whether express or implied, by statute, at common law or otherwise howsoever, are hereby excluded; in particular (but without limitation of the foregoing) the Seller grants no warranties regarding the fitness for purpose, performance, use, nature or merchantable quality of the Goods, whether express or implied, by statute, at common law or otherwise howsoever.

9.10 Except as specifically set out in this clause 9, the Seller disclaims and excludes all other warranties, whether express or implied, by statute or otherwise, including but not limited to the warranties of description, design, satisfactory quality and fitness for a particular purpose, or arising from any previous course of dealing, usage or trade practice.

9.11 The Goods are not intended for sale by the Seller direct to any consumer. Notwithstanding the foregoing:

9.11.1 If and to the extent that The European Communities (Unfair Terms in Consumer Contracts) Regulations, 1995/ European Communities (Unfair Terms in Consumer Contracts) (Amendment) Regulations 2010/2013/2014 apply to these Conditions, no provision of these Conditions shall operate or be construed to operate or be construed to operate so as to exclude or restrict the liability of the Seller for breach of the applicable warranties implied into these Conditions under these Regulations or for death or personal injury caused by reason of the negligence of the Seller or of its servants, employees or agents.

9.11.2 If any sale by the Seller is deemed to fall under the Sale of Goods and Supply of Services Act 1980 (as amended) the statutory rights of the Buyer are not affected by these Conditions.

10. RISK & DELIVERY

10.1 Risk in the Goods shall pass to the Buyer at the time the Goods are available for collection by the Buyer at the Sellers premises or when the Goods are delivered to the agreed address according to the terms of this Contract.

10.2 Any dates and times quoted for delivery of the Goods are expected dates and times only and the Seller shall not be liable for any delay in delivery of the Goods howsoever caused. The time for delivery shall not be of the essence. The Goods may be delivered by the Seller in advance of the quoted delivery date upon giving reasonable notice to the Buyer.

10.3 Deliveries are normally made between 08:00 – 18:00 hours Monday-Friday (excluding bank holidays) to the DOORSTEP of the delivery address unless alternative arrangements have been agreed and accepted in advance between both parties. Any departure from this condition may lead to additional charges which the Buyer agrees to pay in full.

10.3.1 The Buyer must make all arrangements necessary for the Buyer or the End User to take delivery of the Goods when the Seller delivers them, including providing labour and suitable unloading equipment for the unloading of delivered Goods. In the event that the Buyer or the End User asks for, and the delivery driver(s) agree to assist in offloading or to provide any other assistance not previously agreed between the Seller and the Buyer, the Buyer or the End User accept that any subsequent claims for (but not limited to) damages, loss (including loss of profit) or injury shall not involve the Seller.

10.3.2 The Seller shall be entitled to assume that any person who both reasonably appears and claims to have authority to accept delivery and who signs a note in respect of the Goods on behalf of the Buyer or End User (if Seller has agreed to deliver direct) does in fact have the authority to do so.

10.4 If the Buyer or End User does not accept delivery of Goods, or the Seller is unable to deliver, or is delayed in delivering Goods because of the Buyer or End Users actions or omissions, then the Seller may charge the Buyer who will be liable to pay the Seller for all costs incurred as a result.

10.5 Where the Goods are to be delivered in instalments, each delivery shall constitute a separate contract and failure by the Seller to deliver any one or more of the instalments in accordance with these Conditions, or any claim brought by the Buyer in respect of any one or more instalments shall not entitle the Buyer to treat the Contract as a whole as repudiated.

10.6 If the Seller fails to deliver the Goods for any reason other than any cause beyond the Seller's reasonable control or the Buyer's fault, and the Seller is accordingly liable to the Buyer, the Seller's liability shall be limited to;

10.6.1 replacing those Goods not delivered; or

10.6.2 issuing a credit note equal to the value (net of VAT) over the price of the Goods not delivered.

10.6.3 the Seller shall not be liable for any consequential loss including (but not limited to) loss of profit.

10.7 If the Buyer or End User fails to take delivery of the Goods, or fails to give the Seller adequate delivery instructions at the time stated for delivery (otherwise than by reason of any cause beyond the Buyer's reasonable control or by reason of the Seller's fault) then, without prejudice to any other right or remedy available to the Seller, the Seller may:

10.7.1 Store the Goods until actual delivery and charge the Buyer for the reasonable costs (including but not limited to storage, re-delivery and Insurance of the Goods); or

10.7.2 Sell the Goods at the best price readily obtainable and (after deducting all reasonable costs including the aforementioned storage, re-delivery and insurance costs and selling expenses) account to the Buyer for the excess over the price or charge the Buyer for any shortfall below the price under these Conditions.

10.8 At the time of delivery the Buyer or End User must check that the quantity of Goods matches the quantity detailed on the Proof of Delivery ("POD") and that the external packaging of the Goods is in good condition and has not been tampered with or damaged (this applies to any palletised or larger deliveries which may have been shrink or black wrapped.)

10.9 Where visible external damage is apparent at the time of delivery the Buyer must either refuse the Goods or annotate the POD clearly with the word "DAMAGED". The Buyer or End User must not sign the POD "unchecked", "unexamined" or any such similar wording. The Buyer acknowledges that failure to comply with this clause shall void the Seller's liability to either replace or issue a credit note at the price paid by the Buyer for any such damaged Goods.

10.10 The Buyer must notify the Seller of any over-shipments no later than five (5) days from the date of delivery and agrees that failure to do so shall be deemed to be acceptance of the Goods and an invoice shall be raised accordingly by the Seller to the Buyer for the over-shipped Goods subject to Section 34 (2) of the Sales of Goods Act 1980 (as amended) if applicable.

10.11 The Buyer must notify the Seller of under-shipments or missing Goods no later than two (2) working days from the date of delivery and agrees that failure to do so shall be deemed to be receipt of all Goods as indicated on the Delivery Note.

10.12 It is the Buyer's responsibility to notify the Seller of any incorrect Goods supplied within two (2) working days of delivery. If the Goods are not what the Buyer has ordered, the Buyer must not deface or open the manufacturer's packaging or use the Goods. The Buyer agrees that failure to adhere to the conditions shall be deemed to be acceptance of the Goods and any and all monies owed relating to the Goods shall be due from the Buyer to the Seller.

10.13 In the event of any End User delivery, the Buyer shall ensure that the End User complies with the Buyer's obligations set out in this clause 10.

10.14 A signed POD by or on behalf of the Buyer shall be conclusive evidence of delivery and (except where any damage or discrepancy is noted on the POD) that it was received in good order and condition and accordingly no claims shall be brought to the Seller in respect of the delivery claiming the contrary.

11. TRANSIT LOSS & DAMAGE

11.1 No Goods shall be deemed to be 'Lost in Transit' until seven (7) days from despatch have elapsed, and the Seller's subsequent investigations of such claims have concluded that the Goods are (or are deemed to be) lost irrevocably. For the avoidance of doubt, where delivery has been made, and where the Buyer or End User have signed the POD as receiving all Goods, the Buyer must notify the Seller of any shortage no later than two (2) days after delivery in accordance with clause 10.11.

11.2 Any claims brought against the Seller by the Buyer relating to "Damages in Transit" shall only be accepted where the Buyer or End User has annotated the POD with the word

“DAMAGED” in accordance with clause 10.8 and having done so, has subsequently refused acceptance of the damaged Goods or, having accepted them, is storing the Goods safely at the delivery address as detailed on the invoice to avoid further damage arising.

11.3 The Seller’s sole liability in the event of proven loss or damage will be limited to either;

11.3.1 replacing the Goods with Goods of the same or similar specification and at the value equal to the invoice price paid by the Buyer (if requested by the Buyer to do so); or

11.3.2 issuance of a credit note to the Buyer at the invoice price paid for the lost or damaged Goods including any applicable carriage charges which the Buyer may have paid.
